

Advancing Knowledge, Improving Care

IAHQ 2018 Conference Agenda

8:00 am to 8:15 am

Welcome and introductions

Stephen L. Davidow, MBA-HCM, CPHQ, APR, IAHQ President
Director, Quality Improvement
PCPI

8:15 am to 9:15 am

Presentation – Get with the Guidelines: Advancing heart and stroke care improvement

In this session, you will receive updates on the progress of the Get with The Guidelines for both heart and Stroke. The speakers will share resources and information about exciting regional QI initiatives that are underway and how you and your organization may become involved to drive better care and outcomes.

Renee Sednew, Illinois Quality & Systems Improvement Director
Jacqueline Tomei, Illinois Quality & Systems Improvement Director
American Heart Association/American Stroke Association-Midwest Affiliate

9:15 am to 10:15 am

Presentation – Managing the health of populations

In this session, attendees will learn about the structure of participation in the Medicare Shared Saving Program (the Medicare “MSSP” ACO program), how the AMITA Health ACO approached improving cost efficiency with a focus on: 1. the association between Medicare Annual Wellness visits and clinical quality observed in the AMITA Health ACO; and 2. how the effectiveness of a care management intervention to care for high-risk Medicare beneficiaries is measured.

Luke Hansen, MD, MPH, Vice President/Chief Medical Officer, Population Health
Susan Wickey, MS, RN, ACM, Vice President, Quality, Care Management, Population Health
AMITA Health

10:15 am to 10:45 am — Networking break

10:45 am to 11:45 am

Presentation – Care beyond hospital walls

In this session you will learn strategies for improving care coordination beyond the hospital walls; as well as what nursing homes are required to do and how this impacts care in other settings.

Tasha Gill, MPH
Quality Improvement Facilitator
Nell Griffin, EdM, Senior Quality Improvement Facilitator
Telligen

Advancing Knowledge, Improving Care

11:45 am to 12:45 pm — Lunch

12:45 pm to 1:45 pm

Keynote Presentation – 10,000 Problem Solvers: Lean Transformation at The University of Chicago Medicine (UCM)

Learn how UCM is creating a culture that integrates the work of Operational Excellence, Clinical Quality, Diversity/Equity, Human Resources, and Patient Engagement, to spread ownership rather than focusing on a cadre of people facilitating Lean process improvement.

Greg Horner, Vice President, Operational Excellence
University of Chicago Medicine

1:45 pm to 2:45 pm

Presentation – Developing and using clinical quality measures to drive improvement

Learn how clinical quality measures are developed, the evidence based used, and what that means for care at the point of service.

Samantha Tierney, MPH, Director of Measure Development Operations
PCPI

2:45 pm to 3:15 pm — Networking Break

3:15 pm to 4:15 pm

Presentation – Managing Team Dynamics for Quality Improvement

Did you ever wonder what made some teams highly effective and others not? In this session, you will learn what makes a team and its purpose, as well as the stages of team development and how the stages apply to a QI team. At the end of this presentation you will have tips on how to create high-functioning QI teams and effectiveness.

Michael Pop, MBA, Consultant/Trainer
University of Illinois BIS

4:15 pm to 4:25 pm — Close and Adjourn

Stephen L. Davidow, MBA-HCM ← CPHQ, APR, IAHQ President

4:30 pm to 5 pm — “Quality Showcase” — TBD

5:00 pm to 6:30 pm — Reception

Quality Improvement Poster Tour and Review; and Awards

Informal presentations and tours of posters.

6:30 pm — Adjourn to Dine – TBD

Nearby area restaurants (walking distance)
