

Advancing Knowledge, Improving Care

IAHQ 2019 Conference Agenda

8:00 am to 8:15 am

Welcome and introductions

Stephen L. Davidow, MBA-HCM, CPHQ, APR, IAHQ President
Director, Quality Improvement
PCPI

8:15 am to 9:15 am

Presentation – A National View: The Direction of Quality Improvement at CMS and the Hospital Improvement Innovation Network Program

In this session, Jade Perdue will describe the vision and priorities of Secretary Azar and Administrator Verma. She will articulate current progress and planned national quality improvement work which advances value-based reimbursement, and she will share perspectives on leadership and management approaches that drive sustainable healthcare transformation.

Jade Perdue, Division Director of Quality Improvement Innovations Model Testing,
Quality Improvement and Innovation Group
Center for Clinical Standards and Testing, CMS

9:15 am to 10:15 am

Presentation – It's All About Access: Updates to the Medicare Home Health Benefit

In this session, attendees will learn how to become a 5-star CMS rated home health agency, as well as about the 2018/19 changes coming to the Medicare Home Health benefit, how to qualify for the benefit, how it is currently reimbursed, manage care/Medicaid changes, how the care is delivered, how it keeps patients out of the hospital, pre-claim review, how PDGM/ Value Based/Bundled Payments work, IMACT ACT, how results are measured, and what's in store for the future.

Peter Miska, President
Phoenix Home Care, LLC

10:15 am to 10:45 am — Networking break

10:45 am to 11:45 am

Presentation – Opioids: Having Local Impact on a National Crisis

In this session, we will learn how Illinois Medicare FFS opioid data compares to National opioid data, identify successes from the field that can be implemented locally to change the trajectory of opioid harm in Illinois, outline key strategies to change opioid related processes, and explore quality measures for different settings to use in opioid quality improvement initiatives.

Katy Brown PharmD, Sr. Clinical Pharmacy Program Manager
Telligen
